

Peters Township Library Report – August 2023

Novel November tickets now on sale!

The Peters Township Library Foundation is excited to announce the Victoria “V.E.” Schwab will be the featured author for their upcoming Novel November event. The literary event will take place on **Wednesday, November 1, 2023**, at 7:00 p.m. at the Peters Township High School Auditorium. This program will be the sixth in the Novel November series, with previous featured speakers including Yaa Gyasi, Tim O’Brien, Anna Quindlen, Taylor Jenkins Reid, and Andy Weir.

Tickets for the event went on sale **Thursday, September 7, 2023**, and can be purchased online at ptlib.org/veschwab. Adult general admission tickets are priced at \$30, while student tickets are available for \$5. All general admission tickets include a post-event book signing with Schwab. Riverstone Books, The Foundation’s independent local bookselling partner, will sell Schwab’s books before and after the program. Don’t miss out on this exciting opportunity to hear from a *New York Times* bestselling author.

A limited number of VIP tickets will be available for \$75. The VIP ticket includes a reception with music and light refreshments from 5:45 to 6:45 p.m. in the Peters Township High School cafeteria. VIP ticket holders will receive a copy of *The Invisible Life of Addie LaRue* and attend a pre-event book signing by Schwab. You can also purchase tickets at the Peters Township Public Library circulation desk.

“V.E.” Schwab is the #1 *New York Times* bestselling author of more than twenty books, including the acclaimed Shades of Magic series, the Villains series, the City of Ghosts series, and the international bestseller *The Invisible Life of Addie LaRue*. When not haunting Paris streets or trudging up English hillsides, she lives in Edinburgh, Scotland, and is usually tucked in the corner of a coffee shop, dreaming up monsters.

Envisionware

The library recently completed a large technology update by migrating to a new PC management software called Envisionware. Our PC management platform allows patrons to log on to the public PCs using their library card and allows staff to manage the PCs from the back end. Envisionware will be a more secure, private, and user-friendly platform for our community members, which is necessary since our computers have been used more than 2,300 times this year. We also upgraded our print client, which allows patrons to wirelessly print from their device, even from the comfort of their own home!
